* Cheaper than the UK's largest online-only agent - for normal home sales up to 180k
- reflecting the £360 extra you must pay to avoid their VERY expensive conveyancing tie
and with us you don't have to pay a 'surprise' full fee if there's no sale !

Lettings and Property Management

**Landlords - Are you paying an agent more than 10% (or 8.3% + vat)
for rent collection and management ?**

If so, it could prove very rewarding to move over to us !
